## Information About YMCA Financial Assistance

The YMCA of Metropolitan Dallas believes in providing membership and program services to all who desire to participate. The YMCA's financial assistance program, supported in part by the annual Partner's Campaign, uses all available resources to provide support to those who have financial needs and qualify for assistance.

**Anyone may apply for financial assistance.** Approval of the application is made on an individual basis. The YMCA uses a sliding-fee scale guideline based on total household income and number of dependents. The scale assists the staff of each branch in determining the amount of scholarship awarded and its applicable time frame.

The YMCA believes in a strong sense of ownership and pride is developed when the financial assistance recipient contributes to the cost of their YMCA involvement. **Therefore, applicants will be asked to pay a portion of the fee for the requested services.**

Upon approval of financial assistance, a YMCA staff member will review the conditions of the scholarship with you. Those conditions will include the length of the scholarship, the expectation that you take full advantage of the assistance by using the membership or service regularly, as well as a commitment to make payments on time.

Scholarships are determined on an individual basis using a sliding-fee scale guideline to assist in designating the amount of assistance. Once the financial assistance application and required documents have been submitted to the designated staff member, **the YMCA will contact you within two weeks to review the outcome of your application.**

**Need for financial assistance is assessed at the time of request and review on a regular basis.** The executive director and his or her designee are the only people who will review your application. All information is handled confidentially.

At the YMCA, youth and adults are encouraged to volunteer. Also, YMCA donors appreciate learning how their contributions are used. Submitting a short note about how you or your family benefited from the financial assistance is appreciated.

Financial assistance is available at every branch of the YMCA of Metropolitan Dallas. Because scholarships are branch specific, financial assistance is not transferable from one branch to another. Financial assistance must be requested from the branch at which you wish to participate as a member or program participant.

**Mission:** To put Christian values into practice through programs that build healthy spirit, mind and body for all.
